Dear Counselor,

The Oklahoma State Daughters of the American Revolution (OSDAR) would like to extend an opportunity for your high school students to apply for the scholarships that OSDAR has available to your students. Please be advised that only two scholarships require an applicant to be a DAR member or daughter/son of a member.

The OSDAR scholarships are available to qualified applicants regardless of race, religion, creed or area of study. The applicant does not have to be a member of DAR in order to apply for the scholarships. Applications submitted for an Oklahoma State DAR scholarship must be submitted through an Oklahoma DAR chapter. . The DAR chapter does not have to endorse the applicant, only check the application for completeness. Applicants must furnish a completed application, the financial need form, letters of recommendation, list of extra-curricular activities, statement of academic goals, along with an official transcript and ACT/SAT scores, if available.

If you have any students that apply for an OSDAR scholarship, please, have the student contact me, so the application can be submitted through Samuel King OSDAR chapter. **The due date for the OSDAR scholarship application is January 31, 2021. Information on the scholarship and the application process can be found at: <https://oklahomadar2.weebly.com/scholarship-program.html>.**
